Dear Friends,

Welcome to Cadobaz for the 14th annual Evening Under the Stars! The stars are shining, the moon is smiling and a breeze is whispering. Since its inception, and with your contributions, the Avamar Foundation has helped numerous patients procure needed prescription medications. As the world goes through changes and perilous times, for those less fortunate the uncertainty is even more daunting.

AVI Foodsystems, under the leadership of Executive Chef Jeff McClure, will create another spectacular dinner. L'uva Bella Winery, whose wines have won several awards this year, is donating a large array of its finest selections.

Artist Vicki Cheff, from Sarasota, is exhibiting a collection of her works, some powerful, some simply delectable.

Finally, our featured music entertainment: Serpentine Fire, a stunning, colorful, orchestral rendition of the music of Earth Wind and Fire, will dazzle everyone.

*"All the love in the world can't be gone
All the need to be loved can't be wrong
I find romance when I start to dance
In Boogie Wonderland"*

Come and party!

Sincerely,

Farid Naffah, M.D.
